CAPACITI

Hartton Khutso Malau

Personal Details

Age:
28

Location:
Daveyton, Gauteng

Languages:
English, Sepedi, IsiZulu

Drivers License:
C10

Online Presence

- LinkedIn :
  www.linkedin.com/in/malau
  -h

Technical Proficiencies

- Networking
- Cybersecurity
- Programmingl Python

Soft Skills

- Problem-Solving Skils
- Time Management
- Multi-Tasking
- Communications

Interests: Chess

A result-driven and initiative-taking Artificial Intelligence and Machine Learning graduate with core skills in data analysis, predictive modeling, deep learning, and software development. Strong analytical and problem-solving abilities with experience working independently and in collaborative team environments. Skilled in Python, TensorFlow, PyTorch, and scikit-learn, as well as knowledgeable in relational database management systems such as MySQL and Oracle SQL. Well-versed in machine learning workflows, natural language processing (NLP), and data visualization. Have a solid understanding of agile methodologies and the full machine learning development lifecycle (MLDL). Eager to apply AI/ML expertise, learn continuously, and contribute to innovative projects in the field of artificial intelligence and data science

Education

- Vaal University of Technology | Diploma in Information Technology
- GRADUATED: 2023
- Majored in: Business Analysis and Information Systems
- Modules: Applied Communication Skills, Accounting Skills, Software, Programming Logic, Entrepreneurship, Web Management, IT Skills Legal Aspects (Cyber Law), Computer Literacy, Language Literacy, General Mathematics, ISTQB foundation, and Project Management.

Achievements and Key Projects

- CISCO: IT Essentials
- CISCO: Introduction to Networks
- CISCO: Routing and Switching Essentials
- COURSERA: Introduction to Cybersecurtity Tools and Cyberattacks (https://coursera.org/verify/DAJGKFCXKMZR
